Who: Moon

Where: 12th House

How: Pisces

# What Is A Moon Sign

**Pisces:** ruled by *Neptune*, the planet of illusion, spirituality and deception in modern Astrology and ruled by *Jupiter*, the planet of expansion, higher consciousness & philosophy in traditional Astrology.

**Pisces** is known for mystics, artists of all kinds, dancers, water-related occupations, and non-profits.

# What Is A Moon Sign

There's many ways this can manifest for the person, but to keep it simple, here's one way:

Example: This person finds emotional comfort (*Moon*) in private (*12th house*) through creating music/art/singing/meditation (*Pisces*)
