# What Is A Rising Sign

Your Rising sign, AKA Ascendant, reflects the sign that was on the Eastern horizon at the exact moment you took your first breath. Also, this is the sign that begins your birth chart and places the signs in their respective Houses.

There are 12 Houses in a birth chart representing different areas of life.

# What Is A Rising Sign

The Sign of your Ascendant (Rising Sign) will set the stage for HOW your planetary placements will influence your life.

The Ascendant talks about noticeable features of your body, your appearance, first impressions, your worldview, Self image and your relationship with Self

# What Is A Rising Sign

Cancer: ruled by the Moon, the planet of our emotions, nurturment, maternal figures, our roots, family, the home environment, our comforts, our innermost needs.

Cancer is known for realtors, homemakers, chefs, bakers, interior designers/decorators, nurses, hoteliers, caregivers

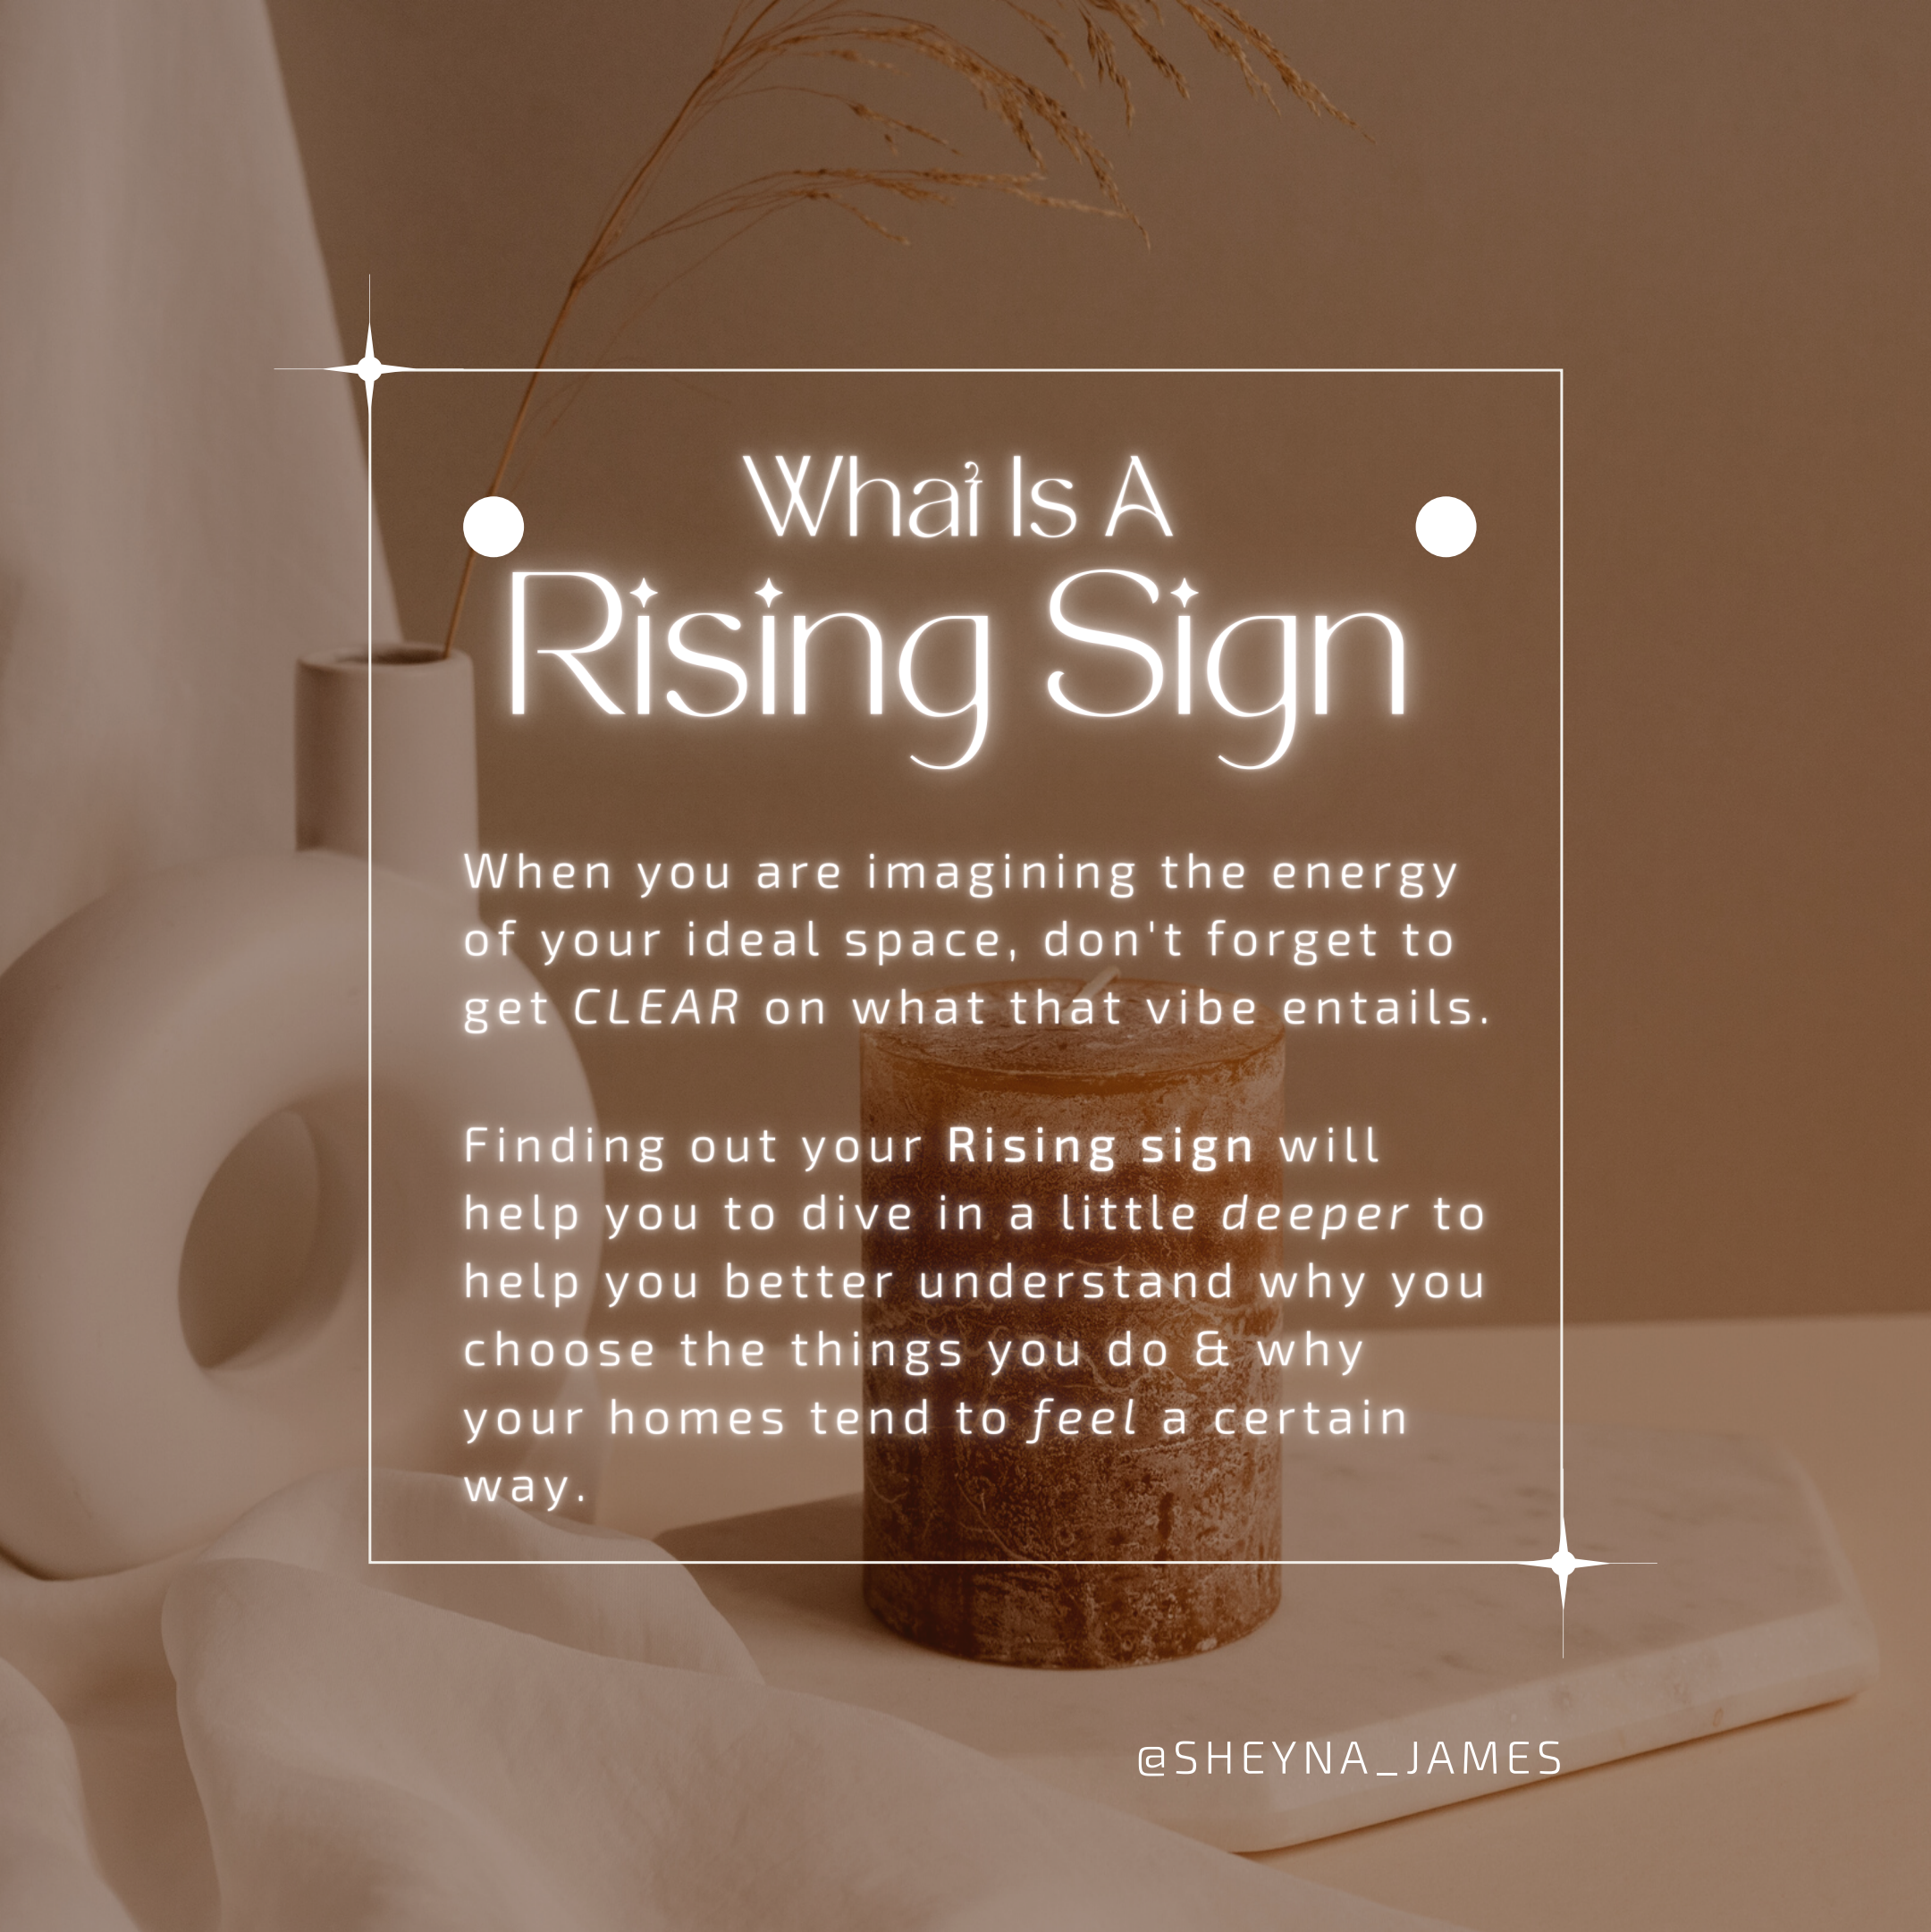

# What Is A Rising Sign

There's many ways this can manifest for the person, but to keep it simple, here's one way:

Example: The vibe of this person (*Ascendant*) is nurturing and welcoming (*Cancer*). Their home reflects this through their natural hospitality and their kitchen tends to be a hotspot for gathering.

# What Is A Rising Sign

When you are imagining the energy of your ideal space, don't forget to get *CLEAR* on what that vibe entails.

Finding out your Rising sign will help you to dive in a little *deeper* to help you better understand why you choose the things you do & why your homes tend to *feel* a certain way.
